

My Culinary Encyclopedia

The essential recipes
from my Grand Livre de Cuisine collection
are now available on iPad.

**The first app that teaches you
how to cook like a top chef !**

Discover **250 recipes created by Alain Ducasse**, divided into five types of cuisine (Gastronomic, Around the World, Mediterranean, Bistro-style, Desserts) and four major food groups (Vegetables, Grains & Cereals, Sea, Land). You can also add your own personal notes, send yourself a shopping list by email or text and add your favorite recipes to the pass, your own personal space, at any time!

Watch the
video
presentation

Increase your knowledge with more than **180 detailed ingredient profiles**, including 360 degree views, learning everything there is to know about the ingredient you are cooking (origin, varieties, seasons, how to select and store, nutrition and cooking preparations).

Discover **40 cooking utensils** with images and explanations.

Watch more than **100 technique** videos of the chefs from Ducasse Education.

Personalise **your «chef's office» space** by adding your own recipes and photos. You can add and customize to create a real working tool for you.

The long-awaited app is now available in the App Store !
